

## REPSOL – MONTESA HRC

Spanish Trial Championship  
3th round.

### Toni Bou finishes second after an exciting duel and Laia Sanz obtains a podium position in the TR2 category.

Morella (Castellón, Spain), 13.07.2008. - Toni Bou (Montesa-HRC Cota 4RT) finished second in the third scoring event of the Spanish Trial Championship, held this Sunday. The Montesa rider obtained the lowest score of the day in the first lap, but a failure on trying to overcome the ninth zone for the second time earned him five points, which added to another five for excess time, cost him the victory as well as his leadership.

Laia Sanz (Montesa-HRC Cota 4RT) offered a brilliant performance in the TR2 category (former Senior B), finishing third, with 24 points and only two points away from second place, as well as achieving the lowest penalization in the category (3 points) on her second pass through the zones.

*Toni Bou: "It's been a top-level trial due to the difficulty and a new duel against a rival who doesn't forgive the slightest mistake. Competing against Adam is always a challenge, regardless of whether it is a world championship, or, as in this case, the Spanish Championship. We always put everything we've got into it and obviously my aim was to win, but I made a mistake and then it was impossible to neutralise the lost points".*

*Laia Sanz: "I'm delighted, especially with my second lap and for having achieved the lowest score in my category. I was a bit short of time in the first lap and I'm well aware that this was the reason I penalised points that I could have otherwise avoided".*

The fourth event of the Spanish Trial championship will be held next Sunday, 20th of July in Pobladora de las Regueras (León).
