

REPSOL – MONTESA HRC

World Trial Championship

3th rounds. Guatemala Grand Prix (2nd day)

A new victory for Toni Bou, who remains unbeaten. Takahisa Fujinami on the podium again.

La Antigua (Guatemala), 22.04.2007. - Toni Bou (Montesa-HRC 4RT) obtained another victory on the second day of the Trial Grand Prix of Guatemala, third scoring event for the World Championship. With this victory, the Repsol-Montesa HRC rider remains unbeaten in the current edition of the championship, increasing his lead in the general classification to 11 points.

Takahisa Fujinami and Dougie Lampkin (Both also riding Montesa-HRC Cota 4RT bikes) maintained a tough struggle for third position and finally both achieved the same number of points. The greatest number of zeros in zones obtained by the Japanese rider meant he won a podium position for the second consecutive day. Laia Sanz (Montesa-HRC Cota 4RT) repeated her seventh position in the Junior World Cup, the same position she occupies in the general classification of this world cup. With Toni Bou's double victory and the two podium positions of Takahisa Fujinami in this double session of the championship in Guatemala, Montesa has consolidated its position as leader in the classification by manufacturers.

Toni Bou: *"Yesterday, Fujinami put up a strong fight and today Raga was pressing me until the last moment. Of course, to win again is the best thing that could happen to me, but after these three consecutive victories I don't want to make any mistakes or fall into complacency, as I still think that its vitally important to continue going step by step. This trial event has been fantastic and we must congratulate its organisers for the quality of their work".*

Takahisa Fujinami: *"This podium position was difficult to obtain, as I made some mistakes in the first lap and had to concentrate to the limit in the second. In the end I was able to come up one position, although it was very close. It will be important to keep up the work this season, which is going to be very exciting".*

Dougie Lampkin: *"I think that although Fujinami won over me by just one zero in his favour, I made an excellent race. The championship is interesting, very competitive and it will be essential to keep up this record of good results. There are still a lot of races to go and as many possibilities to do even better".*

The next event in the World Trial Championship will be the French Grand Prix, to be held on May 27th in Sennez.
