

REPSOL – MONTESA HRC

Spanish Trial Championship
3th round.

Toni Bou finishes second and continues top of the general classification. Laia Sanz fifth in Senior B.

Pobladura de las Regueras (León), 24.06.2007. - Toni Bou (Montesa-HRC Cota 4RT) continues leading the Spanish Trial Championship after this Sunday's third scoring event. Winner in the two previous events, the Repsol-Montesa HRC rider finished second this time, after climbing one position in the second lap of a demanding route and having resolved the score point tie in his favour with the third classified, due to his superior number of zeros in zones (18).

In the absence of Dougie Lampkin and Takahisa Fujinami, who are not participating in the entire championship, Laia Sanz (Montesa-HRC Cota 4RT) was the second member of the Repsol-Montesa HRC team in this event. The seven times world champion has shown her progressive recovery from an old knee injury, obtaining fifth position in the Senior B category, with 62 points and just four points from second position.

Toni Bou: *"I didn't ride well and also had two punctures, one in each lap, a couple of setbacks that didn't exactly help me when I needed the maximum concentration. To end second is a good result because I'm still leader in the general classification, but this time I can't feel satisfied. We're coming to the month in which, with four world championship events in five Sundays, we must work hardest, step by step and race by race, as I've always said".*

Laia Sanz: *"This result is very comforting, after the physical problems that stopped me from performing one hundred percent in the first events of the season. I only needed three points to reach the podium in my category and four to end second. I hope my recovery continues well and from now on I can get results closer to my expectations".*

The fourth event of the Spanish Championship will take place on September 16th. During this long break, five of the six events left to conclude the World Championship will be held.
